

FRANKLIN BOROUGH

NOTICE OF ANNUAL SPRING HYDRANT FLUSHING

The Franklin D.P.W Water Department will begin a Hydrant Flushing Program beginning on Saturday, April 1, 2017 and will continue through to the end of the month. During this program water may become discolored for brief periods of time. Residents are advised to check their water before using or doing laundry. Hydrant Flushing will be done between the hours of 9:00 pm and 2:00 am in an attempt to minimize any inconvenience. If brown water is observed please open your outside tap and flush until the brown water is eliminated. Thank you in advance for your understanding and cooperation during this program.
