

ESTIMATED TAX BILL

The State of NJ Division of Local Government Services has recommended municipalities issue estimated property tax bills for 2020 due to the delay of the state fiscal year and state budget to September 30th.

Borough of Franklin will be mailing estimated tax bills for August 2020. This bill has been estimated using a tax rate of 3.927. This bill is due 8/1/2020 with a ten day grace period. If payment is not received within the ten day grace period, interest will be charged from the due date of 8/1/2020.

The Final 2020/Preliminary 2021 tax bill will be mailed once the tax rate has been certified. The final billing is estimated to be mailed in October 2020.
