Meeting Minutes for
February 4, 2021

Mr. Formica stated that many companies already have waiting lists a mile long.

Mr. Formica has been in touch with another company who are out of southern California who are willing to come to us but for a price tag that is well above our budget.

Mr. Formica stated that he is also keeping Aldo's company that we used last year on standby because if need be, they will use them again.

Mr. Formica brought up to the committee of the idea of possibly buying the lights out right.

Mr. Formica stated that yes it would be expensive but it would be a one-time cost, opposed to renting them for a pricey price tag every year. Mr. Formica stated that it was something that the committee should think about in the upcoming years because the 911 memorial will be something, we do every year.

The committee thanked Mr. Formica for all his efforts.

Mr. Formica asked if there were any updates on the memorial bench.

Mrs. Babcock stated that she has been in contact with Mrs. Giordano and she is very much still looking forward to purchasing the bench in honor of her late son Chad.

Mrs. Babcock stated that she just wanted to make sure the committee was ok with the company and the price of the bench.

Mrs. Babcock stated that she will also reach out to George our plaque guy to get a quote from him on what the bench plaque will cost.

Mrs. Babcock stated that she would get everything in order and work up a total for Mrs. Giordano.

Mrs. Babcock stated that she would have a better update at the next meeting.

MISCELLANEOUS COMMENTS:

Mr. Davis stated that he was looking into the doggy do do bags and found them on amazon for a good price and you get over 100 disposal bags.

Mr. Davis stated when the time comes and we need to replace the bags at least we know where we can purchase them for a good price.

Mr. Davis asked who were responsible for the welcome to Franklin Signs in the entrances of our town.

Mr. Davis stated that they need a little TLC.

Mr. Davis stated that because we are the mineral capital of the world. Why aren't we advertising that better on the signs.

Mr. Davis stated that using a black light to light up the sign or adding rocks that glow would make the signs a lot more interesting and inviting.

The committee agreed.

Mrs. Formica stated that would be a really good eagle Scout project for any upcoming eagle scouts looking for a project.
