

**BOROUGH OF FRANKLIN  
RESOLUTION NO. 2020-37**

**RESOLUTION OF THE BOROUGH OF FRANKLIN, COUNTY OF SUSSEX,  
AND STATE OF NEW JERSEY AUTHORIZING THE USE OF THE  
PUBLIC RIGHTS-OF-WAY BY PLANET NETWORKS, INC.**

**WHEREAS**, Planet Networks, Inc. (“Planet Networks”), having a business address at 4 Park Place, Newton, NJ 07860, is a provider of telecommunications services that is authorized by the New Jersey Board of Public Utilities to provide local exchange and interexchange telecommunications services throughout New Jersey; and

**WHEREAS**, Planet Networks has petitioned the Borough of Franklin (“Borough”) for consent to use the public rights-of-way to place its telecommunication facilities aerially on existing and new utility poles and/or in underground conduit; and

**WHEREAS**, the Federal Communications Commission has held that that “an effective prohibition [under the Telecommunications Act of 1996] occurs where a state or local legal requirement materially inhibits a provider’s ability to engage in any of a variety of activities related to its provision of a covered service ... not only by rendering a service provider unable to provide an existing service in a new geographic area or by restricting the entry of a new provider in providing service in a particular area, but also by materially inhibiting the introduction of new services or the improvement of existing services.” Declaratory Ruling and Third Report and Order, WT Docket No. 17-79; WC Docket No. 17-84, FCC-18-133A1, at para. 36, p. 15-16; and

**WHEREAS**, Planet Networks has or will enter into agreements with the utility companies for the use of their poles and will provide the Borough with evidence of such agreements prior to starting work on the poles; and

**WHEREAS**, N.J.S.A. 48:3-19 provides that “[t]he consent of the municipality shall be obtained for the use by a person of the poles of another person unless each person has a lawful right to maintain poles in such street, highway or other public place;” and

**WHEREAS**, N.J.S.A. 27:16-6 provides, in part that “[t]he board of chosen freeholders shall not grant an easement, right of way, or use in, under or over, any portion of a county road in a municipality, unless the governing body of the municipality ... shall consent thereto;” and

**WHEREAS**, N.J.S.A. 46:17-8 provides that “[a]ny telegraph or telephone company organized under the laws of this or any other State, or of the United States may erect, construct and maintain the necessary poles, wires, conduits, and other fixtures for its lines, in, upon, along, over or under any public street, road or highway, upon first obtaining the consent in writing of the owner of the soil to the erection of such poles, and through, across or under any of the waters within this State and upon, through or over any other land, subject to the right of the owners thereof to full compensation for the same;” and

**WHEREAS**, N.J.S.A. 54:30A-124(a) provides that a municipality may not impose any fees, taxes, levies or assessments in the nature of a local franchise, right of way, or gross receipts

fee, tax, levy or assessment against telecommunications companies but that a municipality may impose reasonable fees for actual services made by any municipal agency; and

**WHEREAS**, it is in the best interests of the municipality and its citizens to grant consent to Planet Networks.

**NOW THEREFORE BE IT RESOLVED** by the Mayor and Council of the Borough of Franklin, County of Sussex and State of New Jersey as follows:

1. The governing body does hereby grant permission and authority to Planet Networks, Inc. to install fiber optic cables and related facilities on existing utility poles within the public right-of-way and to install new utility poles, upon the following terms and conditions:
