WATER & SEWER
46 MAIN STREET
FRANKLIN, NJ 07416

John Sowden, Mayor
Neil Spidaletto, Administrator
B. VanDenBroek, DPW Director
Phone: 973/827-7060
Fax: 973/827-2550

ATTENTION RESIDENTS

Please be aware that the Franklin DPW Water & Sewer Division will be assisting contractors with upgrades to the Borough Water System and installing a new water main extension and fire hydrant on Moscow Street. Excavation will begin from the intersection with Butler Street and extend approximately 225 ft down Moscow Street towards the dead-end section.
Some work may begin as of 11/11/26 as Semeraro Construction our Contractor may begin to stage some equipment intermittently. Actual excavation work and traffic control / Police Department presence will commence thereafter on the following days:

- Monday 11/16/26
- Tuesday 11/17/26
- Wednesday 11/18/26

Between the hours of 8:00 am – 5:00 pm on these days you may experience some limited access to your property as we need to make excavations into the roadway to complete this necessary work.
Franklin Borough Police Officers will be on site to coordinate the effort of providing proper traffic control.
We will make every attempt to keep the roadway passable during construction efforts and respectfully want to advise all area residents of our work plans in advance should this pose any potential inconvenience and allow time to make necessary arrangements.

Any questions or concerns please contact the Franklin D.P.W. Water & Sewer Department (973) 827-7060. Thank You as always for your continued cooperation during these times.

Brian G. VanDenBroek
Director of Public Works
Water / Wastewater Utilities
